

Finding your Bar by Ambient Sound Level

Having a Good Time!

Hackathon November 2015

... but sometimes you don't ...

What?!

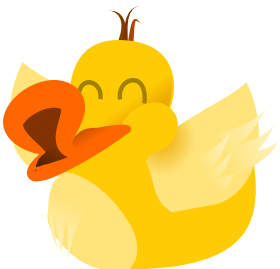

I can't hear you!

LAAAAH

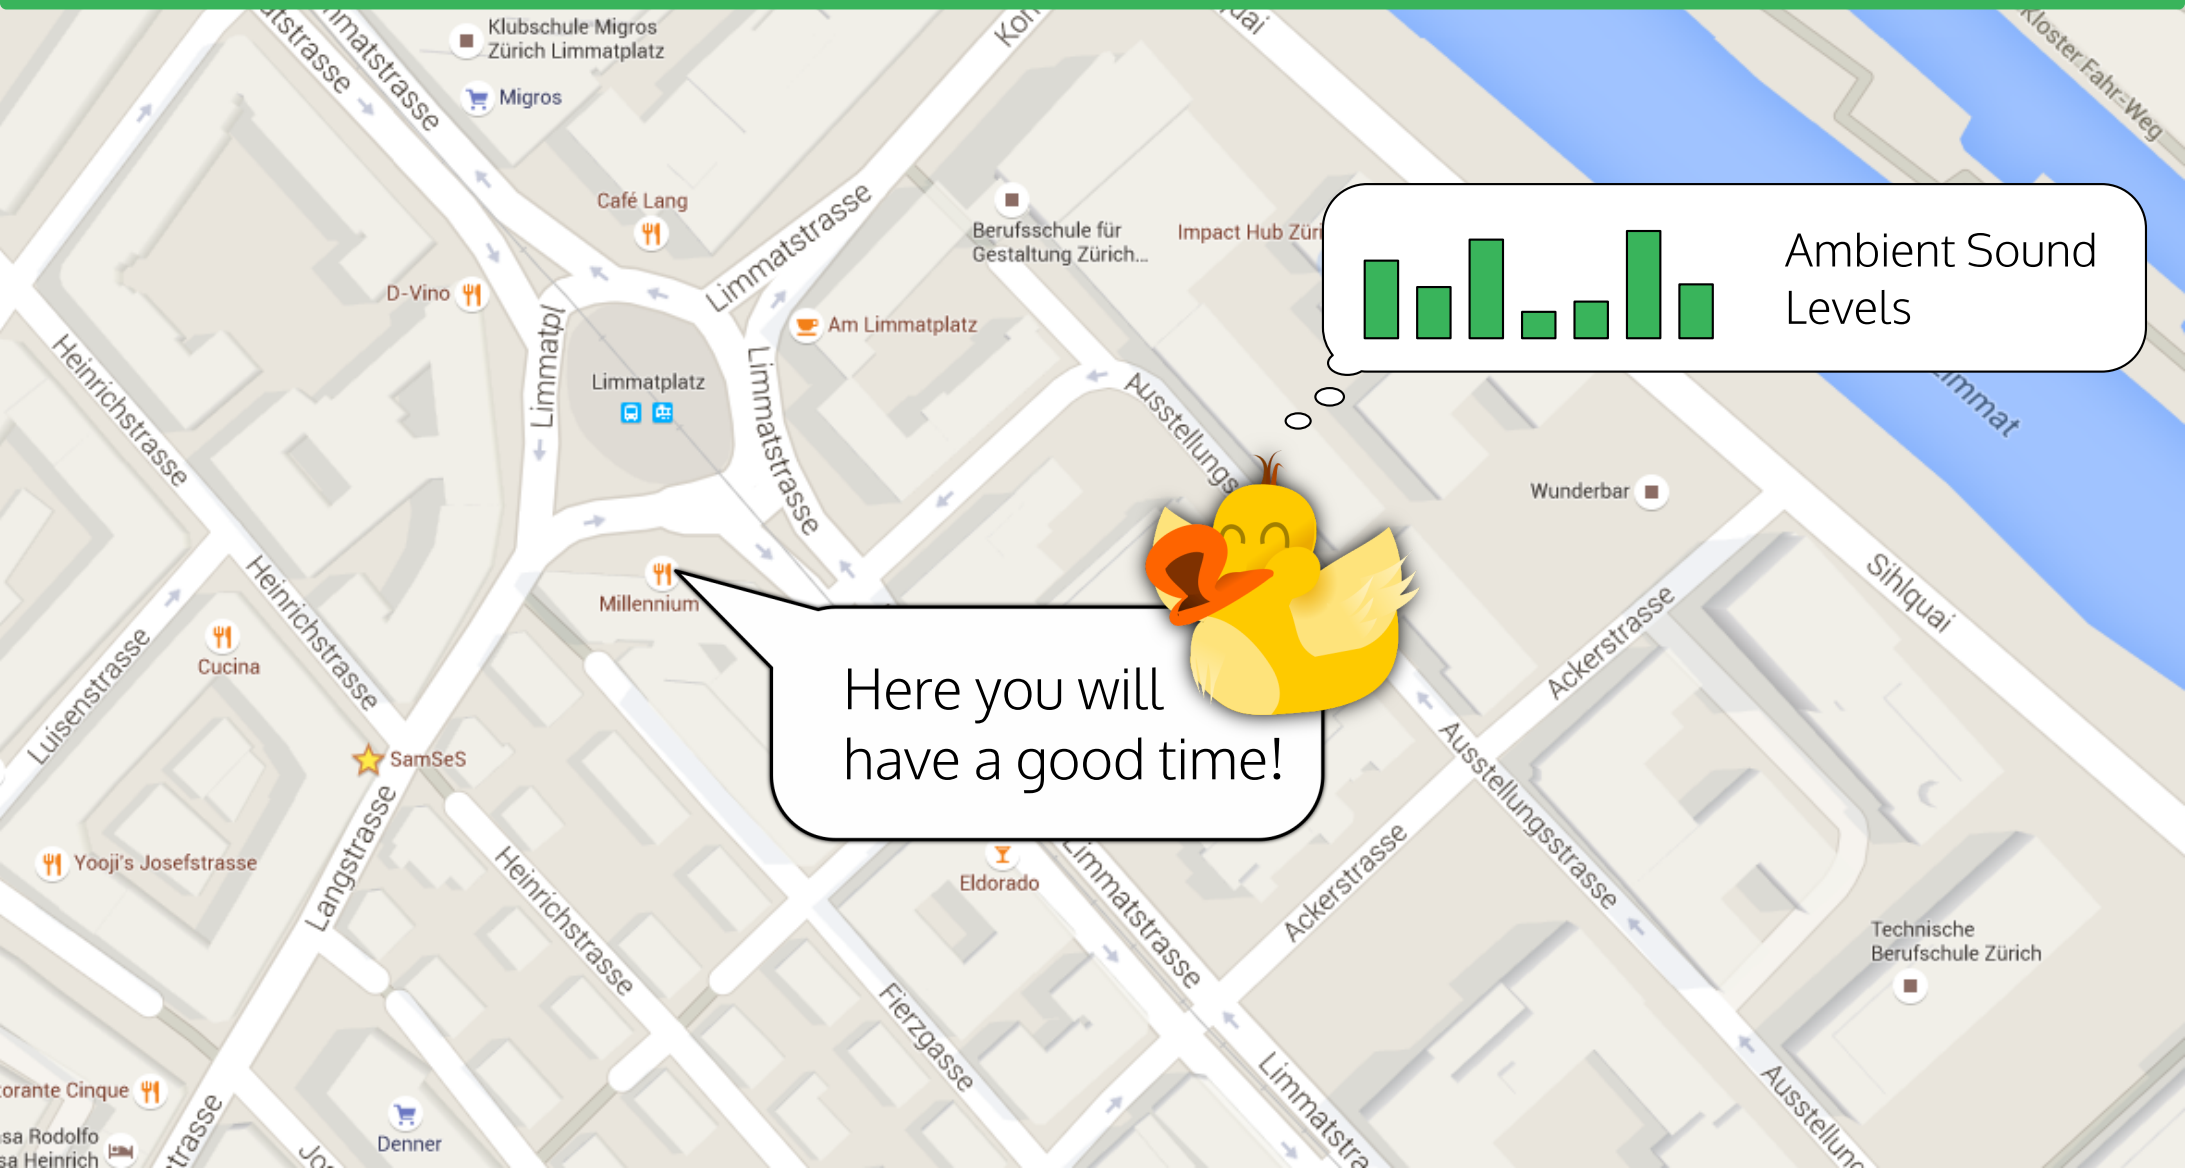

HHHAAME!

DJ turn it
up up up

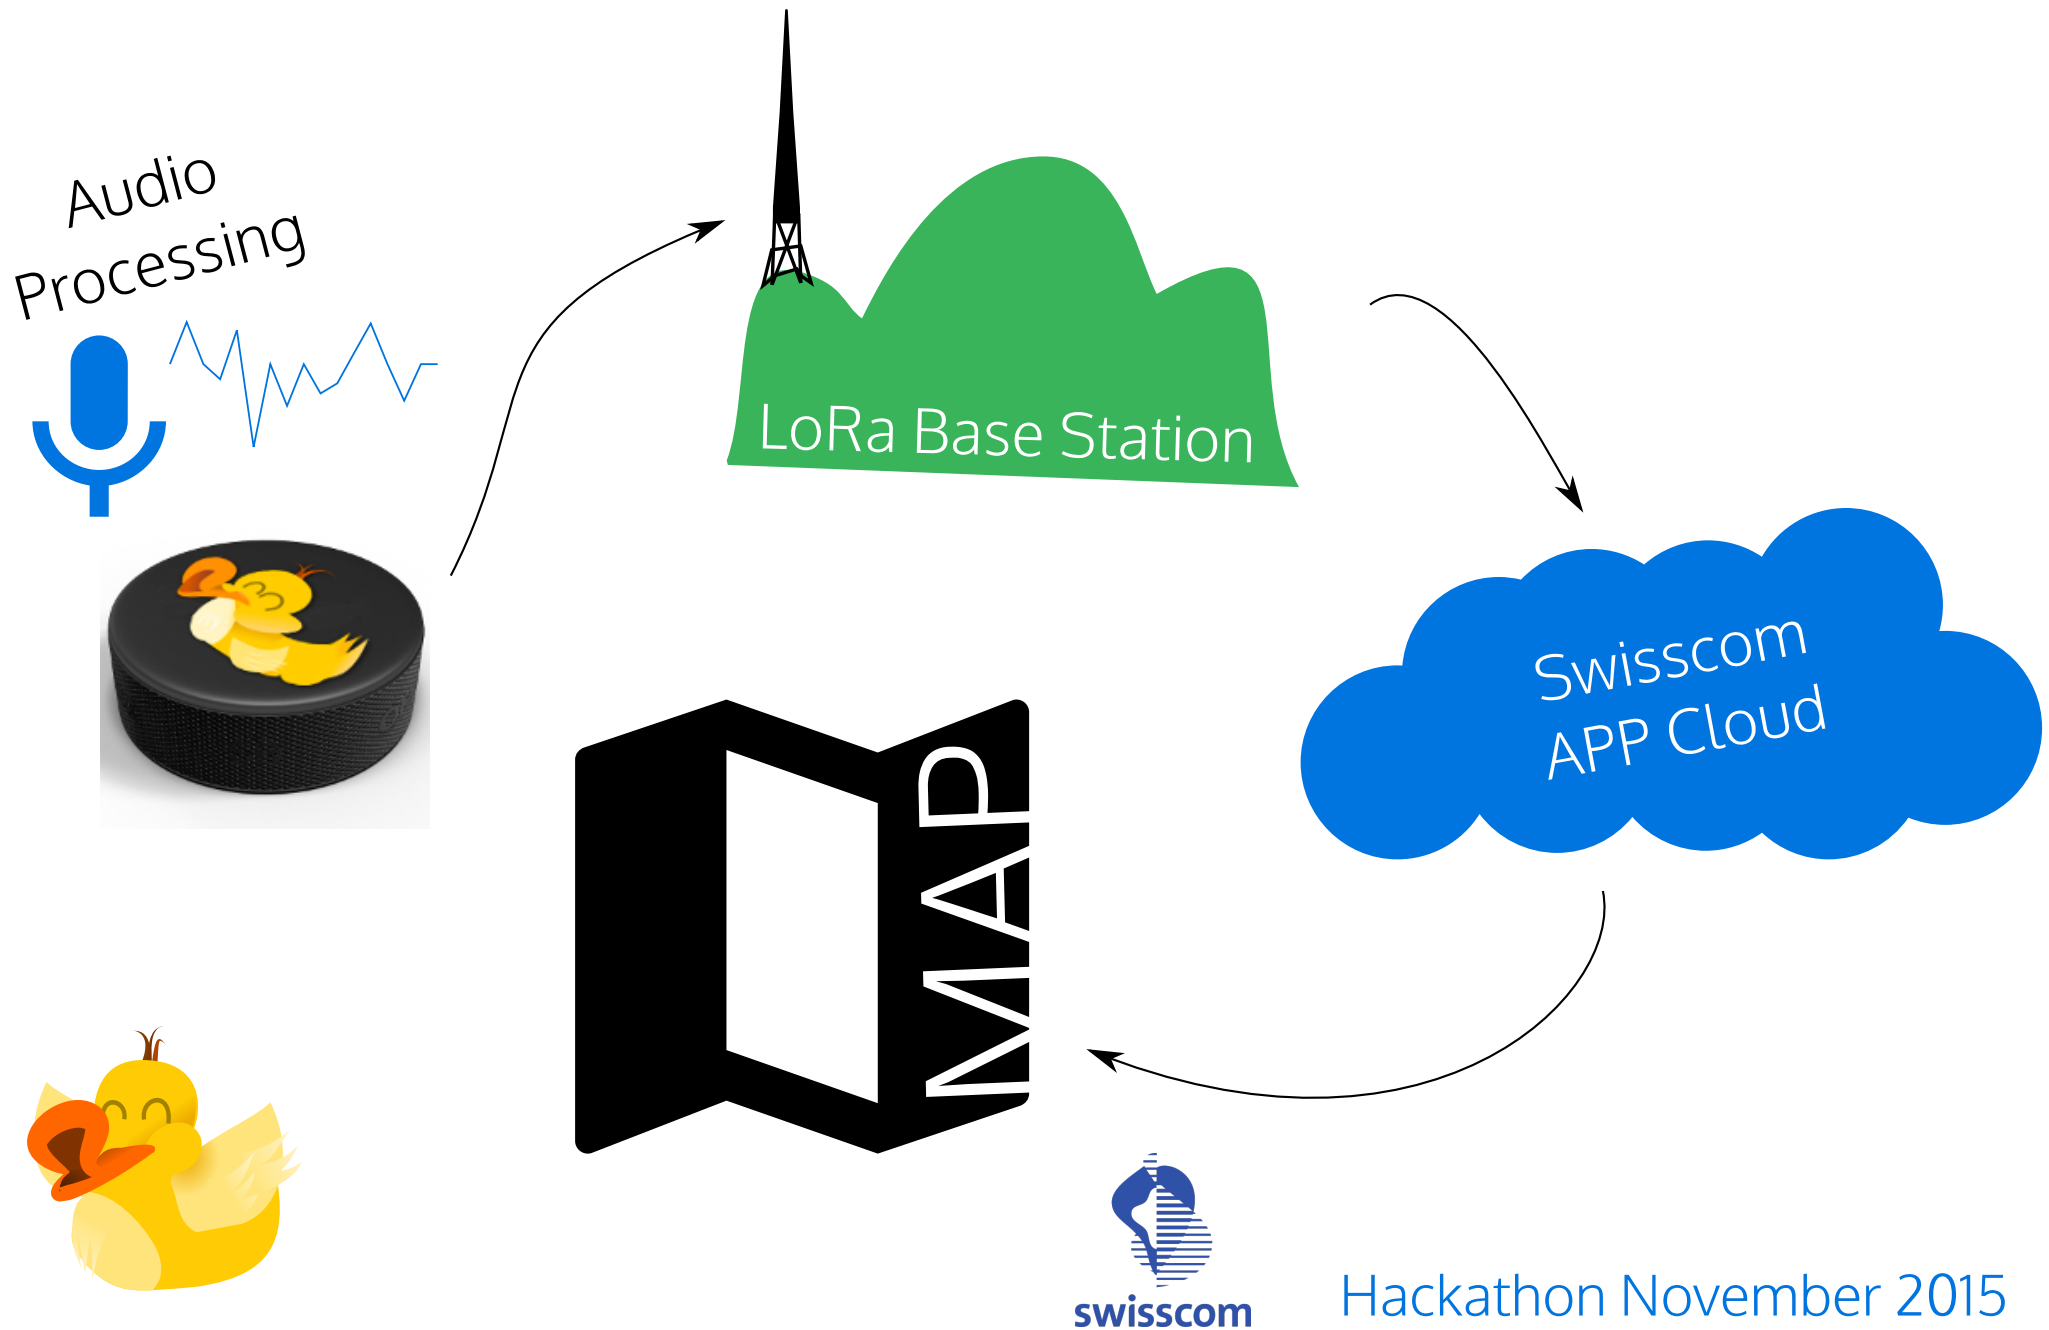

No, I said ONE Beer,
not seven white russians

a map that makes sense

This is how it works...

Hackathon November 2015

... but why LoRa ?

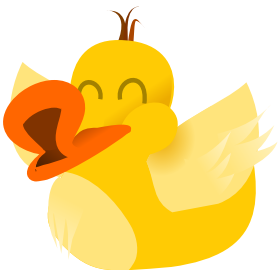

Hackathon November 2015

... and why Swisscom Application Cloud ?

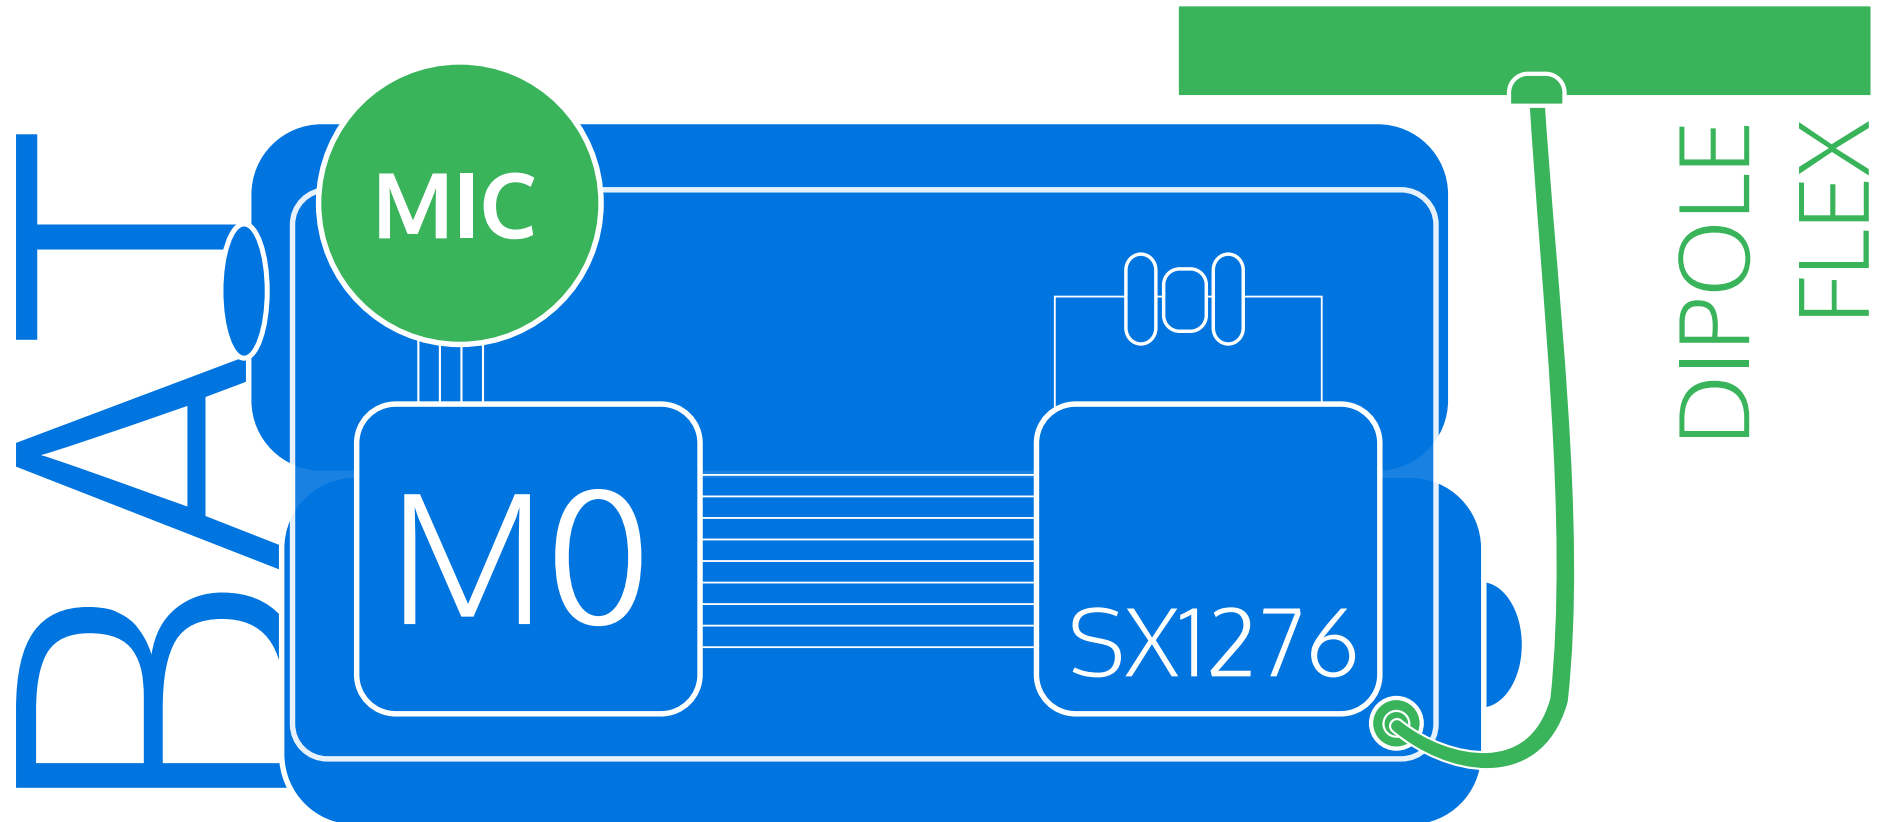

... having a good time

Hackathon November 2015

... from prototype to production

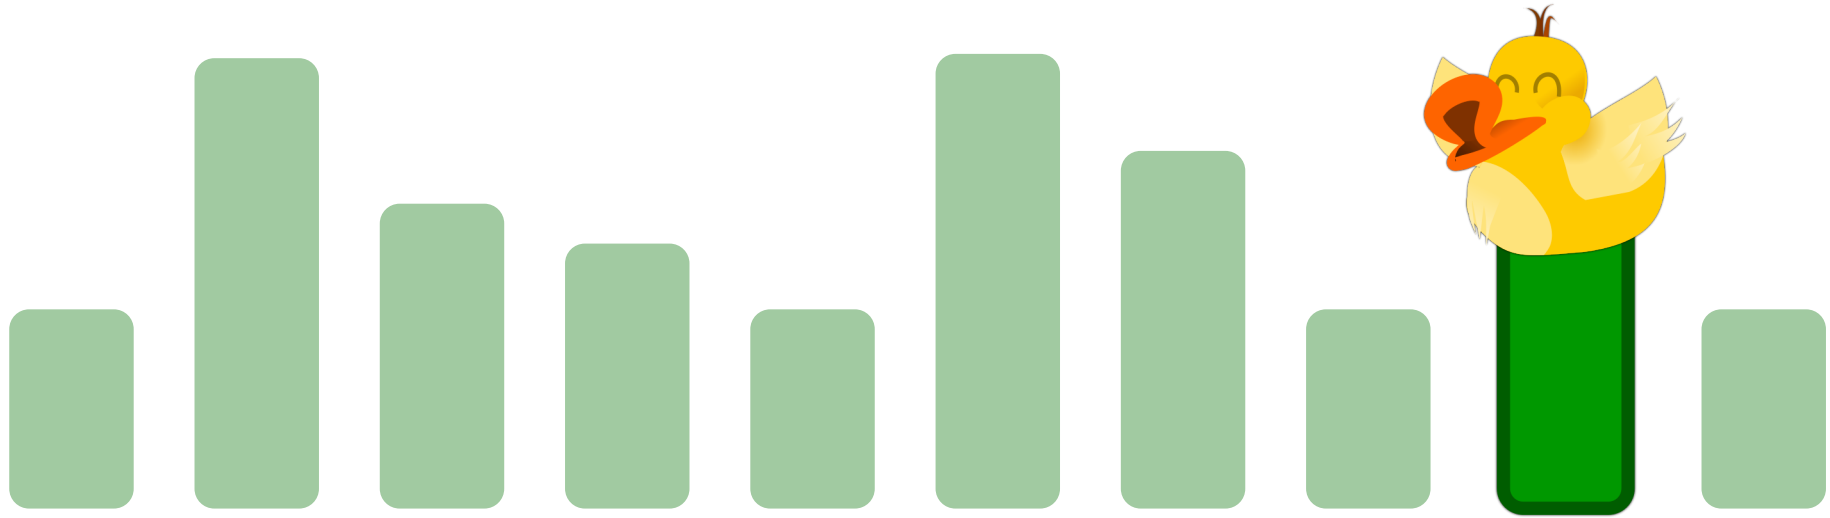

STANDBY
